RE: USSN 09/039,176, filed: March 13, 1998, Inventor: Carol M. Rines et al,
Group Art Unit: 2652, Examiner: Davis, David Donald for "METHOD OF
AND APPARATUS FOR EXPANDING FUNCTIONALITY OF VEHICLE
CASSETTE TAPE-PLAYER DECKS TO PERMIT DICTATION OR OTHER
RECORDING AND AUTOMATIC REMOTE STATION RELAYING OF
THE SAME"

Dear Sir:

We enclose a corrected Amendment, Paper No. 35 with reference to the above application. We find that the date on the signature page reflected the date of March 2, 2003 and not the correct date of March 2, 2004. Also enclosed is a copy of the postcard, that accompanied the said Amendment, clearly showing the receipt date of March 3, 2004 in the US PTO and a copy of the Express Mail certificate.

Thank you for your attention in this connection.

Cordially,

RINES AND RINES

Robert H. Rines
